

MOMCC TRIAL JUNE 08

Seventeen riders turned out for the Bruce and Bai Cup Trial held on a brilliantly sunny day on June 15. And eight of those riders were from other clubs including four from Taranaki, three from Ixion in Wellington and Hawkes Bay member (but Levin resident) Warren Laugesen. Even Tony Ramshaw and Charlie Morrison live in Wanganui and Waverly but they are MOMCC members. Anyway a good turnout and thanks to those that travelled the distance.

Andy and myself set out eight sections on the Carrol property near the end of No 2 Line, in the Pohangina Valley. The sections in and around the slippery little creek proved to be quite a bit more difficult for most than we intended and the scores reflected that. Our apologies if you found the going a bit tough, I know I did a few times. I think it was one of those days for me when the brain and body were completely out of sync and my result reflected that.

The next trial is on July 20th.
