

## MOMCC Mototrial June 26th 2011

What a wonderful trial, weather a bit cool, a bit of mud but not in the sections and lots of new faces to enjoy the sport! Sections were not in the river due to possible flooding but that didn't eventuate. Hence it was a dry trial but we didn't mind having dry feet for a change.

Welcome to Ashleigh Clement and Claudia Thompson from Taranaki (great to see more girls rising to the challenge) also Kevin Crowley (Masterton), John Millward (Colyton) and Adam Bartlett (Pohangina). Sounds like they enjoyed the experience and Adam was even riding some of the clubman lines. Young Henry Buck was giving everything a go and didn't lack courage! These young riders progress amazingly fast. The rest of us have to be content with slower progress. A big Thank You to Kevin Pinfold for tutoring / guiding these new riders.

Good competition in the Clubman grade with Adrian cleaning up again. Hawkes Bay and Taranaki riders dominated the Intermediate grade with Tony Smith and Phil Stephenson the only local riders. He sported the bruise of the day – we won't ask how he got it but it was rearward facing.

The next MOMCC mototrial date is July 24<sup>th</sup>, Opawe Road, Pohangina Valley East.
