

MOMCC Club Champs Mototrial Sept 18, 2011

Thirteen riders turned up for round four of the club mototrials champs at the Infracon quarry on Kendalls Line, Linton. Conditions were dry although there were plenty of black clouds lurking and rain could be seen falling in the distance, but decided to spare us a miserable day for a change. In fact it was quite warm too for a change.

Nick Tucker and myself had the pleasure of spending Saturday afternoon setting up eight sections to test the riders abilities. And the quarry has some testing terrain. And not all the sections featured rocks as there are a few clay banks and grassy hills about the place too, so we made good use of them.

Nick had it all to himself in the Social grade as no others turned up to compete with him, but it's all about conquering the obstacles in each section as much as beating a fellow competitor. Although there's nothing like having competition to make you try harder.

Andy Anderson was back riding for the first time in many months after dislocating a finger along with spraining his left hand. And it's still far from being healed so he took it easy in the Clubman grade (instead of Intermediate) to lose 21 points with Merv George in second on 35.

The two visiting Ixion riders stole the Intermediate grade. Not a good sign with our annual BSA Shield inter club trial just around the corner. Better get that Sherco running good Tony.

Warrick George and I usually have a close battle on the A grade sections. In fact Warrick has pipped me at the last two events but this time he had an off day and I had a (semi) on day to finish 41 points clear.

The final round of the club champs will be on October 16th at No 3 Line, Pohangina Valley East. Following this on November 6th will be the Centenary/BSA Shield Trial back at the Linton quarry.

Kevin Pinfold

Results

A Grade

Kevin Pinfold	Ossa	47	MOMCC
Warrick George	Gas Gas	88	MOMCC

Intermediate

Mark Sidebotham	Beta	25	Ixion
